

## Send money instantly from the UK & EU

Transfer money to your loved ones worldwide on Sasai via Sasai Remit, from the EU and UK. We offer the widest remittances coverage and last-mile channels across Africa & Asia. We give your loved ones the options to receive their funds through mobile wallets, banks or cash pick up points at the lowest fees. It's instant, safe and simple. It's all possible via our Super App, Sasai.

## Send money instantly from SA

Send your loved ones funds instantly from SA on Sasai via Sasai Remit. Give your loved ones the options to receive their funds through mobile wallets, banks or cash pick up points at the lowest fees. It's instant, safe and simple. It's all possible via our Super App, Sasai.

## How it works

### Step 1: Open the app

Download the Sasai App from the Apple App Store or Google Playstore if you haven't already. Sign Up with your email address or social logins, verify your mobile number and enjoy loads of awesome features on Sasai.

### Step 2: Tap on Sasai Remit in the Explore section.

Once logged in, at the bottom navigation bar tap the Explore icon. Once in the Explore section, scroll down until you find the 'Remittances' icon and tap on it.

### Step 3: Select send from SA.

Once inside the Remittances section, tap on the Sasai Remit icon if you'd like to send money from South Africa to Zimbabwe, Nigeria, Kenya, The Democratic Republic of Congo, Bangladesh, India & Pakistan.

Create an account, if you don't have one already and send money home to your loved ones, no fees attached. It's that simple.
